

Technical data

Connection	Click connection concealed
Tile size	66 cm x 33 cm// 61 cm x 61 cm
Thickness of the useful layer	0.55 mm
Total thickness	8.2 mm
Weight	11 kg/m
Material useful layer	Fiberglass reinforced PVC
Material support tile	100% PVC
Surface treatment	Protectonite (PUR)
Surface structure	Design
Slip value	DS / R10
Fire behavior	B1fl-S1
Backside	Drainage knobs
Floor heating	suitable
Wear behavior	class T
Operating class	23-33-42
Liquid-tight floor	With the use of joint compound
Use class	Heavy and light commercial vehicles
Light fastness	>6
Dimensional stability	≤ 0.15
VOC-Emissiones	Certified
Antistatic	<2kV
Furniture push test	No cracks, no damage
Impact sound improvement measure	16 dB

Environment friendly

-100% recyclable (at the end of the useful life, we can pick up the tiles and recycle them)

-100% Made in Europa
